WOW! What makes a Safety Officer happy???? We saw an increase of 400% on June 13th for the second new members ride. Present were Jim, Gordy, Dale, Terrie, Jessica, Bill, Deb and Charles, and four road captains. The usual format was followed, another great ride, tons of information exchanged. A couple of the members said this was their first group ride ever! Everyone did a great job!!! Our membership continues to grow, new faces at every meeting, what a terrific time to be a member of the Northern Chapter.

The next ride will be Monday, July 10th. We meet at Classic Motor Sports at 6:15pm. Help spread the word. Another thank you to the assisting road captains Claude Gersky, Rick Cole and Brian Zionskowski.

Members Mark and Cheryl Miller (our Chapter secretary) first met at Hemlock High School in 1974. Four years later they tied the knot (noose). As young newlyweds, they moved to Traverse City in 1980. Their daughter, Robyn, was born in 1981 followed by their son, Matthew, three years later. Drawn by the beautiful woodscapes and waterways, their family has spent much time in the weather … camping, boating and partying have been outlets for many years. One of their favorite spots was Long Lake Beach.

As their children neared graduation, they began looking for a new adventure. Remembering a time while on vacation they asked each other, “If you could do anything you wanted, what would it be?” At that moment, a group of Harley’s roared past them on the freeway! The rest is history.

Mark’s first bike was a 125cc Harley Davidson when he was 16 years old. Two bikes and 30 years later, Mark bought his 2003 black Electraglide Standard. Not long after, Cheryl, not satisfied as a passenger, bought her first bike, a custom color 2004 Dyna Low Rider. Together they have logged 42,000 miles in three years and are still in love.

Their first and most memorable biking adventure was a trip to the Blue Ridge Parkway in July of 2004. The scenic views were breathtaking, the weather hot, and they planned each day as it came. If you have not been through Story, Indiana, they recommend it! It is set in an 1800’s era general store/hotel and five star restaurant with several cottages for rent. There is a bar and gift shop. It is surrounded by some winding country roads for riding. It is awesome!

Mark works as a supervisor at Elk Rapids Engineering where they build and design specialty CNC machinery. Cheryl works as a nursing supervisor at Munson Medical Center. When they are not working or riding, they enjoy nature, woodworking and stone crafts. Their children are grown and their second childhood is just beginning!
